In Search of Simplicity

A True Story that Changes Lives

John P. Haines

In Search of Simplicity is a startlingly poignant and inspiring real-life endorsement of the power of thought, belief and synchronicity in one's life.

To My Wonderful Husband, I Love You

Sometimes I worry about you
You don't relax enough
You work so hard

There is so much for you to do
But at all times I want you
to know

that I respect you so greatly
and I thank you for
being the best man in the world
in every way
I love you
